

	<p>Notes:</p> <ol style="list-style-type: none"> <li>1. If you are registering the contractor work for Firewise activities, fill out a timesheet as you would with a resident's hours / work description and attach the invoice</li> <li>2. All work on your private property counts for volunteer hours.</li> <li>3. Recording volunteer hours is important especially for grants that require "matching" work by AFFSC. Hours of volunteer work count as roughly \$29 per hour.</li> <li>4. Mileage reported in dollars using the Federal rate of \$0.58 per mile. Record miles each day, total in last column in \$.</li> </ol>
