

BURN PILE SAFETY TIPS

- 🔥 Landscape debris must be in small 4' by 4' piles
- 🔥 Burn site away from power lines, overhanging limbs, buildings, vehicles, and equipment.
At least 3 times height of pile vertical clearance
- 🔥 Clear all flammable material and vegetation within 10 feet of outer edge of pile
- 🔥 Keep a water supply and shovel close by
- 🔥 Responsible adult must be in attendance until fire is out
- 🔥 No burning unless weather conditions allow
- 🔥 Always check to see if it is a burn day before you burn
Call (530) 621-5897
- 🔥 To get a burn permit for burn piles up to 4' x 4' go to <https://burnpermit.fire.ca.gov/>
